

St. Mary's Parish
Capital Fund Donation Form

St. Mary's Parish assumed projects in 2005 to repaint all exterior window frames of the church and re-roof the rectory and repair cornice work and install guttering on the rectory. Additional repairs were made to the school. Other future goals recommended by the Parish Maintenance Committee include improving the landscaping at the grotto to include a larger plaza on the east side with seating benches and new plantings around the grotto to surround it as a special place of meditation and prayer; a new landscape plan for the front of the church and parking to include relocation of power poles, installation of decorative pole lamps along new walkways, new concrete in the front of the church as well as plantings to minimize mowing and maintenance of the steep banks.

Donations are invited to offset costs of these improvements. Please consider making an offering to these projects by completing the form below. If you wish to make a donation, indicate the purpose for which you would like your donation to be designated. A representative of the Parish can contact you privately for further discussion if you request.

- Church restoration and maintenance
- Landscape improvements at the Church
- Landscape improvements at the Grotto
- Sisters' House, exterior maintenance
- Cemetery Fund
- General Fund
- Other

Enclosed is a gift of \$ _____.
